

**We will make the learning memorable
by learning key knowledge;**

Year 2 pupils will learn about the Great Fire of London (GFOL) and how it has impacted on London today. They will learn about how the fire started and spread. Children will learn how the fire was extinguished and how London was rebuilt. Additionally children will learn about famous people such as Florence Nightingale, Rosa Parks and Alexandra Graham Bell and understand how they made an impact on society today.

**Please help enhance and develop your child's
knowledge for a fun quiz day back in school.**

If you would like you could:

Make a poster about the
Great Fire of London in 1666.

You could make your own 3d Tudor house.

Create your own fire painting by mixing
primary colors.

Cook jelly with 3 tiers of fiery colors;
yellow, red and orange.

Try mask making using animals in the woods.

Year 2

Spring Term 2020

End of Topic Celebration

In March we will have a non uniform day
and children can choose to dress
as a soldier or nurse.

Some of the questions we hope to answer this term are:

What does famous mean?

Was there a famous person during the GFOL?

How did the GFOL change London?

How did fire effect people and animals of London?

How did the fire spread and stop?

Can you help?

Are you a firefighter? Are you a nurse? Would you like to come and talk to us about your job? Please speak to year 2 teachers if you would like to be our special visitor.

Talk time/ British Values

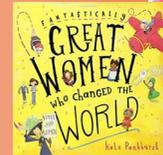

How do we keep safe and what do we do in a fire?

What characteristics do famous people have? What makes them famous? Are all famous people good? Who invented the Channel Tunnel and why was it made?
